SOUTHERN CALIFORNIA DX CLUB BULLETIN

Ed St. John, W6LDA, President

April 7, 1966

Please mail DX dope and activity reports to Dick Reimer, W6OSU at 7811 Agnew Ave., Los Angeles, 90045 or phone OR 0-5486 or 670-0922 on or before the Wed. night before the club meeting.

A DX Breakfast is planned coincident with Southwestern Division ARRL Convention, Sunday, May 29, 1966 at the Charterhouse Hotel, 1700 S. Harbor Blvd., Anaheim, California, across from Disneyland. Breakfast will be served at 9:00 A.M. sharp. The featured speakers will be GUS BROWNING, W4BPD and STEWART MEYER, W2GHK. They will be speaking on DXpedition activities. Proceeds over expenses of the breakfast will go for a fund for future DXpeditions. This activity is sponsored jointly by the Orange County DX Century Club and the Southern California DX Club. There will be a worthwhile door prize for advance registrations. Send $4.75, cash, check or money order to Bill Johnson, W6MUR 9372 Hillview Road, Anaheim, California 92804. Make checks payable to Orange County DX Century Club. Let's have a good turnout for these fine men of DX!

For the next two years I will be the QSL manager for K6KII/KG6 on Guam Is. In addition to the Guam Is. activity I will also be the QSL manager for any of his DXpeditionary adventures.

K6KII is Cliff G. Moore, USN, presently attached to the U.S. Naval Security Group on Guam. DXer and contest man for some ten years now, and presently 319/318 for DXCC. Cliff will be active 80 through 10, and is hoping for some 160 operation.

The normal DX QSL procedure is desired, and that being date and time in GMT, and SASE or SAE and IRCs for direct replies.

SOUTHERN CALIFORNIA DX CLUB

POLICY FOR DX CONTEST AWARDS
AND ASSIGNMENT OF DX CONTEST SCORES

The following policy for DX contest awards and assignment of contest scores was unamiously established at the March 1966 meeting of the Southern California DX Club:

I. Acceptance of scores by the Southern California DX Club

A. The Southern California DX Club will accept credit for any score submitted in their behalf providing the assigning station is located in Southern California. Southern California is defined as the counties of Los Angeles, Orange, Riverside, San Bernardino, San Diego, Imperial, San Luis Obispo, Kern, Ventura and Santa Barbara.

B. Such scores are greatly appreciated, however, awards cannot be made unless eligibility requirements are fulfilled.

C. Private Award donors may establish their own qualification criteria.

II. Southern California DX Club Sponsored Awards

A. Southern California DX Club Contest Awards

1. Each year the following awards are made to SCDXC Members at the Joint NCDXC/SCDXC Meeting. The purpose of these awards is to stimulate SCDXC participation in Club Contest Competition especially for the ARRL DX Test competition with the NCDXC for the roving trophy awarded to the winning club. Awards are based on the ARRL Contests of the year preceding and then CQ World Wide Contests of the second year preceding the Joint Meeting held in January of each year. Awards are presented as follows:

High CW station ARRL Single Operator
High Phone station ARRL Single Operator
High CW station ARRL Multi Operator
High Phone station ARRL Multi Operator
High Phone Station CQ Single Operator
High CW station CQ Multi Operator
High Phone Station CQ Multi Operator

2. Eligibility requirements for these awards are:

a. The winning station for each award must have been a member in good standing of the Southern California DX Club at the time of the event which qualified him for the award.

b. The winning station must have submitted his score for the club total of the Southern California DX Club. This submission must meet the conditions of paragraph I.

c. If eligibility requirements are not met by the winning station the award will be made to the next highest scorer who is qualified.

B. Southern California DX Club Appreciation Award

1. Effective for the 1966 CQ WW Contests and the 1967 ARRL Contests the below awards will be made in appreciation for scores submitted in the Club's behalf:

a. An award to the station submitting the highest combined Single Operator scores of all sections of the ARRL and CQ WW Contests.

b. An award to the station submitting the highest combined Multi Operator scores of all sections of the ARRL and CQ WW Contests.

These awards are based on the ARRL Contests of the year preceding and the CQ World Wide Contests of the second year preceding the Joint Meeting held in January of each year.

2. Eligibility requirements for these awards are:

a. The winning station must have submitted his score for the club total of the Southern California DX Club. This submission must meet the conditions of paragraph I, entitled "Acceptance of scores by the Southern California DX Club."

EBCN & CONGRAN CARDS - QSL cards for the recent operations to these two spots by Don Miller and Chuck Swain under call signs KZ1LMU/HC8E and KZ1LMU/TI9C are not being accepted by Bob White for ARRL DXCC credit until such time as more information on the operations becomes available to headquarters.

LLDXA

DON MILLER - W9WNV/KG6 should be leaving for Suva, Fiji Islands about press time, after which, it is expected he will go directly to Marie Teresa - W9WNV/FO8M for two or three days operations beginning about April 13 according to last information available to editor. FLASH late QSO with Don Miller says that Minerva Reef - 1M? ?? will probably be the first since it is nearest to Fiji Islands from whence he departs. Further that following Minerva Reef, Maria Teresa will be next, after which, he will return to Fiji and take a separate boat to Manihiki.

West Gulf

CR7GE nw has permit for opng fm FHS Comoro Is., ER7 Europa, TR7 Glorieuses Is, ER7 Juan de Nova, ER7 Tromelin, & VQ9 Aldabra Is, but is looking for financial help with the costly air-transport. Jose ex-CR3CF/CT2CF hpes to receive c/a details within a few days. Opn dates, QRGs, 2nd-opr, QSL Manager, etc wl be announced vy shortly. Transport wl be via Piper Aztec six-taxi, but the journey to Aldabra & Europa must be by boat, for which reason be wl not visit Europa unless it be counted as sep DXCC.
